

BYAI Sponsorship Packet

Through a Bellepoint Athletics sponsorship, your business can promote an active and healthy lifestyle for children in our association while promoting your business. Bellepoint Athletics relies on sponsors to help keep the costs of running the association lower. Lower operating cost helps us to keep registration fees reasonable so that all kids may have a chance to participate. Bellepoint Athletics is a volunteer organization and without sponsorships we are unable to maintain our lower fees.

Last year, we hosted over 300 softball/baseball games on four fields through summer and fall. People from all over Delaware County and the surrounding communities will be making their way to our facilities again this summer. Help make a difference in the lives of youth in Bellepoint Athletics and become a sponsor today.

	Triple	Double	Single
Large banner on backstop behind home plate, Added to BYAI Website sponsorship section, and recognition on social media.	✓		
Two banners on the fencing in between the fields with social media recognition	✓	✓
